State Central Committee Meeting: May 2nd 3rd Cody Wyoming

State Central Committee Meeting: Aug 2nd & 3rd location TBD

Chairman did an overview of Roberts Rules general rules, our bylaws, Platform, and Resolutions for new members.

State Committee Team Report

Joey Correnti attended the last meeting with Scott Petty, budget report request to give more detail on what our county shares cover at the state level with specific targeting to platform brochures that we are expected to distribute did not yield any specifics from executive team. Joey moved to amend state budget to include printed platform brochures be provided to all county's who are current on county shares and it passed unanimously.

Addressed concerns that Laramie county clerk censure resolution came from the executive team down to the grass roots which is opposite of the proper process. State attorney addressed our concerns, he stated that the resolutions was necessary for us to pursue legal actions and this gave the party the approval from the body to continue down this path. No answer as to why the Laramie county party did not raise the concern. Resolution did pass.

Our resolution on Senate and House leadership elections failed. It felt targeted as a previous resolution from Frank Eathorn to support Rick Scott passed yet the argument on the floor for our resolution was that the party doesn't take stances on winners and losers when they are all Republicans. If we aren't here to effect legislative actions Joey is unsure what other purpose we serve the grassroots.

Daddy Daughter Ball, looking for sponsors to purchase tickets for the “underprivileged”. Need volunteers to fill balloons every evening from March 1st – 8th in the evenings, looking for help run the check station the night of the event as well as kitchen help.

Ryane Metevier moves **Motion to adjourn** at 10:45
